Self Reflection # 3: Due 10/30/18     Name ______________________

*Note: Your responses to these questions are as much about helping me provide relevant course material that meets your needs as they are about helping you to think through your own learning and how it can be improved.*

After reflecting on Midterm 1, describe your confidence level in solving similar types of problems.

Which problems from Midterm 1 were the most difficult for you and why?

After completing HW#4 and reflecting on it, describe your confidence level in solving similar types of problems.

Was there any ‘aha’ moment for you the past few weeks? If so, what was it?
