Things we could do during the second week:

Turn ___ degrees
Wait ___ seconds
When ____ key is pressed
Broadcast ___
When I receive ___

Change x by ___
Change y by ___

Pick random ___ to ___

Use the pen: clear, up, down

Costumes

Say/Think “___”

Clear graphics effect
Set ___ effect to ___
Change ___ effect by ___

Set size to ____ %
Change size by ___ %

Show
Hide
New background, new sprite

The cat already has 2 costumes

The cat script:
1. Constantly changes costumes
2. Runs to the soccer ball and broadcasts “SHOOT”

The ball script:
Waits for the “SHOOT” broadcast, then moves
