Things to try out with the Scratch Maze Program

1. Make the dog move faster when the arrow keys are hit

Does that make the game easier to play, or harder? Why?

2. Make the soccer balls move faster

Does that make the game easier to play, or harder? Why?
3. Increase the number of soccer balls

Does that make the game easier to play, or harder? Why?

What happens when the number of soccer balls gets too large? Why do you think that is?

4. Change the Maze

How can you make the game easier?
How can you make it harder?
