Diversity Dialogues

Get ready to hear from OSTEM, NSBE, SHPE, GEEO, SACNAS, SASE, SWE and MORE

The ESC is excited to announce that for the first time since 2019, E-Week will be back in person and full of returning and new events. One of the returning events in Diversity Dialogues where engineering affinity groups such as OSTEM, NSBE, GEEO, SHPE, and more are there to talk about their groups and help get you involved. All of these affinity groups on campus support and amplify the voices of those underrepresented in STEM fields, meaning you don’t have to fit an identity to be a part of the club, you just have to support it! Diversity Dialogues will be 6:00 - 8:00 February 23rd, and food will be provided on the way out.
