

Week #1B Live Lecture Chat – January 13, 2023

15:05:02 What type of questions would be covered in Quiz1?

Items from the list of Week #1 notesets.

15:17:36 In the sample the program only uses vertex and fragment shaders right ?

Correct.

16:09:13 Does quiz 1 cover both week 1 and week 2 notes/lectures from the resources page?

Each weekly quiz covers that week's materials and possibly prior weeks' materials. So, Quiz #1 will just cover Week #1.

16:11:22 Will we need to be able to run OpenGL/GLSL code on our machines for the quiz?

No. The quizzes are just multiple choice questions from the notes.
