

# CRESCENT VALLEY ROBOTICS TEAM 955

CORVALLIS, OREGON

## Team 955 Executive Committee Meeting, 5/3/11

Present: Will Rottenkolber; Jim Sackinger; Tim Brumbaugh; Melinda Lind; Ginny Rueben; Cathy Peltier; Kevin Groom; Kelly DeHann; Jane Gotchall; John Gotchall; Holly Pick

7:05 pm. Meeting Called to Order. Will presiding.

ORGANIZATIONAL CHART: Holly presented an Organizational Chart. Goal is to address roles and goals for team members early in the season, through regionals. There is also a skills organizational chart for various roles. The charts are meant as a communication tool, and practice for real world projects.

STUDENT LEADERSHIP: Student leadership grows out of the organizational chart. There was discussion regarding mentoring for students in running a small group. There was discussion about the balance between top down leadership, including adult leadership, and grass roots enthusiasm.

There was discussion about cross training the leadership.

There was discussion about the role of mentors.

There was discussion about cultural changes, and kid's interest in boundaries.

CONCLUSION: (1) Keep same organizational tree, more and less.

(2) Try to improve adult guidelines and mentoring, in general, and role of team leaders specifically.

(3) Applications for team leaders will go out Sunday.

### Schedule:

May 19, 6:00-8:30 pm: Mt. View Science Fair. Yes.
