

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5 (highest)

5. List at least one thing that your instructor does well to help you learn in the class.

He explains concepts of the class well.

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

Sometimes his explanations are hard to understand and/or follow.

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

He answers all of the questions and explains everything

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

I think he should go over more difficult problems. Other than that he's fine.

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5 (highest)

5. List at least one thing that your instructor does well to help you learn in the class.

Explains formulas in depth

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

Goes too in depth on things not related to problem at hand.
This would help me a lot more if you covered
the entire quiz when we go over it (teach faster).

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

He is very knowledgeable, knows a lot about the subject. Also, I like how he grades, by putting helpful comments.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

He focuses on one problem for a long time, I'd let to get to more problems.

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5 (highest)

2. List at least one thing that your instructor does well to help you learn in the class.

Patient with questions & thoroughly goes through problems.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

*Time management: we take too long on quizzes
& students lose interest.*

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

Step-by-step instruction, helps me understand confusing topics.

Very friendly, I feel comfortable asking questions

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

Move to different kinds of questions more, Sometimes it seems like we get stuck on a small idea the whole classtime.

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

5. List at least one thing that your instructor does well to help you learn in the class.

Posts notes summarizing ~~the~~ the chapters on his website.

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

He is very quiet and it is hard to understand his accent.

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest) 2 3 4 5 (highest)

5. List at least one thing that your instructor does well to help you learn in the class.

Nice & will explain a lot.

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

Go over questions quicker/more efficiently.
There are shorter ways to solve problems
then we will have time to finish going over
a whole quiz or homework questions

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

Goes over the problems from past exams

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

move along faster + dont just spend a minute after every step waiting for us to respond, because 3/4 of us want

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

Answer all the questions and tries to make it sound as easy as possible.

Goes over the quizzes very well.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

The one thing would be to spend more time answering questions about the homework rather than going over the quizzer for the majority of the class period.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

goes over problems in great depth

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

going over more problems & more
difficult problems
give a review worksheet before midterms

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest) 2 3 4 5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

One thing that the instructor does well is explains how to do a problem in extreme depth. He doesn't explain it fast he takes time and ~~also~~ makes sure we completely understand it.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

The only thing that I think he ~~would~~ could possibly improve on would be explaining it slightly faster that way we could do more problems during the class instead of just a few.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

he explains things in depth and is also
very nice.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

Maybe spend less time on single problems

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

My instructor really goes into deep detail with each problem which really helps me comprehend what is being taught.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

One thing that can be improved upon is time management. This doesn't happen often but sometimes we don't go over some of the things I need help upon. Other than that, Tuan is a really great instructor and very helpful.
