Your responses to this questionnaire are important because they will be used in tenure, promotion, and salary decisions for your instructor. Your thoughtful written comments are especially requested, and may help your instructor improve future course offerings. The results of this evaluation (including the evaluation forms) will not be returned to the instructor until after the final grades are submitted for this course. In addition to a No. 2 pencil, you may use a blue or black pen to complete this form. Completely fill in the oval of your choice. If you erase, erase completely. Multiple marks will result in the answer being omitted from the results.

INSTRUCTOR: Tuan Phan TERM: Fall CURRENT YEAR: 2012

## Written Comments

1. What did the instructor do that most helped your learning?

Tuan Phan's mathematical passion allowed for an easier understanding of the material. His knowledge of the subject was thorough and his explanations were different than I have heard before, creating a new perspective and better learning environment.

2. What could you have done to be a better learner?

Perhaps I could have asked more questions.

# University of Minnesota Student Rating of Teaching

Your responses to this questionnaire are important because they will be used in tenure, promotion, and salary decisions for your instructor. Your thoughtful written comments are especially requested, and may help your instructor improve future course offerings. The results of this evaluation (including the evaluation forms) will not be returned to the instructor until after the final grades are submitted for this course. In addition to a No. 2 pencil, you may use a blue or black pen to complete this form. Completely fill in the oval of your choice. If you erase, erase completely. Multiple marks will result in the answer being omitted from the results.
