Make-up Tests require a very compelling documented reason. So if you miss an exam, and do not have a very compelling documented reason, you will received 0 points for that exam.

Grading:

There will be 1,000 course points, distributed as follows:

- Quizzes 150 points. There will be 9 quizzes, each worth 25 course points. Your worst 3 quizzes will be dropped. There are no makeup quizzes. Quizzes will be almost always on Fridays.
- One-hour midterm exams 510 points. Remember if you miss an exam you must have a documented reason - for instance, if you are ill, you need a note from a doctor. Each of the four exams is 170 points. Only your best three exams will count.
- Final exam 340 points. This will be all-inclusive, that is, all material in the course.

You will need a non-graphing calculator. You will use this on homework, quizzes, and midterms. Whether or not you will use it on the final exam will be determined and announced before the final exam. Grading standards and student conduct expectations are documented at OneStop.
