③

4

5 (highest)

2. List at least one thing that your instructor does well to help you learn in the class.

He explains problems on quizzes quite well after they're graded.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

He could be more concise in his explanations of problems and give practice quizzes.

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

1. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

2. List at least one thing that your instructor does well to help you learn in the class.

He thoroughly explains the concepts we're currently learning and really wants to make sure we understand everything.

3. List at least one thing that your instructor needs to improve to help you learn better in the class.

He sometimes takes a longer approach to some things, which isn't always bad, but when they're are simpler solutions, try to take/show us those (note: this is just a minor thing, he doesn't do long solutions for every problem).

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

4

5(highest)

5. List at least one thing that your instructor does well to help you learn in the class.

*He takes everyones questions into consideration and carefully goes over it.
No one feels secluded.*

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

*I rather have an example worksheet w/ answers
online than having a summary.
Having both would even be better.*

Mid-semester feedback

Your instructor is interested in receiving feedback from you on how this class is helping you learn. Your input helps the instructor identify the aspects of the class that are working and the aspects that need improvement.

4. Rate the overall performance of your instructor on a scale of 1 (lowest) to 5 (highest). Circle one number.

1 (lowest)

2

3

④

5 (highest)

5. List at least one thing that your instructor does well to help you learn in the class.

The instructor's enthusiasm for the subject and great ability to explain the material from a different outlook helps tremendously in learning the material.

6. List at least one thing that your instructor needs to improve to help you learn better in the class.

The class moves slightly too slow. However, I think this helps get the material down.
