Thank you for teaching with us in the Sponsored Dual Credit Program. We kindly ask you for your feedback to improve our program.

1. What are some challenges you face when teaching in this program?

2. What went well and what did not go well for you or your students in this course?

3. What are some suggestions you have for us to improve our program? (the level of support you receive, the quality and quantity of communication, the clarity of expectations, etc.)
