

BRADLEY RULE

(503) 309-1208 | bradley.rule@yahoo.com
515 West Complex Corvallis, OR 97331

Objective

Seeking an entry level position to jumpstart my learning and career development in a professional environment.

Education

Degree / Date of Graduation

Have taken classes using Unity Engine, Java, and C++ (data structures). Have worked with teams of people to complete engineering based tasks.

Date of Graduation: June 13, 2025

Experience

Name of Employer

Course Maintenance / March 2021-September 2021

- Worked with team to sustain the cleanliness of course facilities and maintain equipment resulting in repairing the picker as well as the ball washing machine.
- Organized large scale events that raised money for the Mae-A-Wish foundation.

Community Service

- Worked with Night strike in Portland OR, to give food to the homeless and provide them with new clothing.
- Did community service through Idaho Servant Adventures in Shoshone County, Idaho. Projects included: Raising teepees for a local summer camp, repairing a retaining wall behind a senior center, sorting cloths at a local clothes closet, sanding and refinishing doors in an old hospital as part of project to turn it into a church.
- Sorted food at the Oregon Food Bank.
